Summer Vacation Assignment (2026)

Class: LKG

Dear Students, summer is here! It's time for fun, ice creams, and some exciting creative projects. Grab your colors, clay, and glue to start your summer adventure!

ENGLISH: My Yellow Friend

Task: Choose one yellow fruit (like a Mango or Banana) or vegetable (like Corn or Yellow Bell Pepper).

Model: Cut a cardboard shape of your chosen fruit/veg and paint it bright yellow.

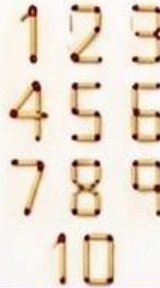

123 MATHEMATICS: Stick-y Numbers

Task: On a white chart paper, create numbers 1 to 10 using matchsticks.

Note: Use glue to stick the matchsticks.

For LKG, keep shapes simple and straight.

हिन्दी: 'वर्णमाला' का पेड़ (Alphabet Tree)

Task: On a drawing sheet, make a beautiful tree using your fingers!

Method: Paint a brown trunk. Use your thumb and fingers dipped in green water color to make the leaves.

Activity: With the help of your parents, write one Hindi letter (अ, आ, इ...) inside each finger-printed leaf.

CREATIVE ACTIVITY: Clay Fun

Task: Make 5 different fruits and vegetables using colorful clay.

Suggestions: A round red Apple, a long orange Carrot, a purple Brinjal, a green Chilly, and a yellow Lemon.

Skill: Use your hands to roll, pinch, and shape the clay!

NATURE PROJECT: My Little Plant

"Watch me grow as I grow my plant!"

- 1 Sow a Seed: Plant some seeds (like Moong or Mustard) in a small pot at the start of the holidays.
- 2 Care: Water it every day and watch it sprout.
- 3 The Photo: At the end of the vacation, click a photo of yourself holding your plant.
- 4 The Frame: Make a frame using cardboard and decorate it with colors or glitters. Paste your photo inside it!

Message to Parents:

Please guide your child in these activities to help develop their grip and recognition skills, but let their little hands do the creating!

Happy Holidays!
